

Behaviour Policy

September 2014

1. Rationale

Our behaviour management policy is simple, consistent and creates an atmosphere where children and adults feel safe and are able to learn. It is based on a set of shared values and expectations which are embodied in our Behaviour Checklist.

2. Principle

- All members of the school community will be clear about the expected standard of pupils' behaviour
- Staff will model the behaviour they expect to see from children
- The school vision- BEST will be displayed clearly in classrooms and around school. Staff and children will know this well and work to its philosophy.
- School rules will be displayed clearly in classrooms. Staff and children will know them well.
- Sanctions and rewards will be displayed clearly in each classroom and children will know them well.
- All staff have a responsibility to make sure that sanctions and rewards are applied consistently and rigorously.
- All staff will follow the principles and practice of Assertive Discipline (outlined below)

3. Responsibilities

Assertive Discipline

At Holbrook Primary we follow Assertive Discipline. This is a structured, systematic approach to discipline in the classroom. It allows teachers to run an organised learning environment in

the classroom. It is a system that rewards good behaviour and gives sanctions for poor behaviour.

Each Key Stage has a set of school rules that are taught at the start of each academic year.

Key Stage One

Holbrook School Rules

Always do as you are asked

Always use good manners

Always keep your hands and feet to yourself

Always take care of everything in the classroom

Key Stage Two

Holbrook School Rules

Follow instructions straight away

Show good manners at all times

Keep hands and feet to yourself

Respect everyone's property

Do not leave the teaching area without permission

Every day a pupil starts on a green card. Should the school rules be broken the following stages are followed

Stage 1 - Warning

If a child is behaving in an inappropriate manner, the following procedure occurs:

- They are reminded of the school rules.
- The child is asked which school rule they have broken.
- The child is reminded how they should behave
- The pupil is given a warning.

Stage 2 - Orange

If the child continues to behave in an inappropriate manner and a school rule is broken they are reminded of the school rules for the 2nd time, the procedure outlined in stage 1 is followed. The pupil is given their second warning. They change their card from green to orange.

Stage 3 – Red

If another school rule is broken they are reminded of the school rules for the 3rd time, the procedure outlined in stage 1 is followed. The pupil changes their card from orange to red and they have time out for no more than 10 minutes (age appropriate) at the “Time out” table in the classroom. A detention of 5 minutes will be given at break time, supervised by a member of staff from the phase. This will be recorded on the sims behaviour package.

Stage 4 – Red Plus

If another school rule is broken they are reminded of the school rules for the 4th time, the procedure outlined in stage 1 is followed. Their card remains red, and they go to their partner class for 15 minutes “time out”. The detention time will be extended from five to ten minutes of the break time. This will be supervised by a member of staff from the phase and will be recorded on the sims behaviour package.

Parents are informed their child has reached this stage by letter from the class teacher.

Stage 5 – Red Plus Plus

If another school rule is broken they are reminded of the school rules for the 5th time. The procedure outlined in stage 1 is followed. Their card remains red, the date, time and reason is written on the back of the card they go to the year group leader for 15 minutes “time out”. The detention time will be extended from ten to fifteen minutes at break time. Again, this will be supervised by a member of staff from the phase and will be recorded on the sims behaviour package.

Parents are informed their child has reached this stage by letter from the Year Leader.

Stage 6 – Internal Exclusion with Learning Mentors or Leadership Team.

If another school rule is broken they go to the Head teacher, Deputy Head Teacher or Assistant Head Teachers who arrange an internal exclusion for the remainder of the school day. This may be with Leadership Team or Learning Mentors. Again, this will be recorded on the sims behaviour package.

Parents are informed their child has reached this stage by letter and an appointment is made to see a member of LT. Possible behaviour intervention may be implemented.

Extreme Behaviour

Any incidents of extreme behaviour should be treated on an individual basis. Children who have particular needs such as ADHD or ASD will have their own behaviour plan. It may be appropriate to call for help from LMs or SLT. Children who need positive handling or restraint should be dealt with using Team Teach approach and only by staff who have the appropriate training.

Bullying - Procedures

- The incident is recorded in the Racist Incidents and Bullying File along with action taken in line with school policy.
- For the first incident of this nature, the pupil is given a warning.
- If a second incident occurs, it is recorded and a letter is sent home to parents / carers informing them of this behaviour.
- If a third incident occurs, parents are informed and invited into school to discuss next steps.
- Continued serious misbehaviour at this level will result in external exclusion from school. If the behaviour is at lunch times, then after the third serious incident, lunchtime exclusion will occur.

- If a child is excluded from school, they will be set work which should be completed during the exclusion. On return to school, a re-admittance interview will be held with pupil and parents where clear expectations of behaviour are set.

Recording

Staff will record Orange cards upwards on the Behaviour Log located in the sims system. SLT with the learning mentors, will review the Behaviour Log each half term and where concerns are risen, parents will be asked to visit the school and discuss ways of improving the behaviour of the pupil in line with our Home School Agreement.

Rewards and Sanctions- BEST

The children are rewarded using a system called BEST. If a child remains on a green card all day, they will receive a BEST point. These will be recorded individually on the 'golden best ticket' kept in their assertive discipline pouch and on a class chart. BEST points can be collected by showing a positive attitude to school through behaviour and learning, following the school rules and the school vision. Any member of staff can give a BEST point at any point in the day.

For BEST work, the 'BEST stamp' can also be awarded in children's books.

The headteacher and deputy headteacher will also have BEST stamps and will reward children if they see them aiming for their BEST.

Awards assembly will be held every week, alternating each week between KS1 and KS2. In this assembly, children will be recognised for their hard work and determination to succeed through BEST certificates, (two per class) and celebration of individual achievement for consistent behaviour and learning through the collation of BEST points. Classes will also celebrate the number of BEST points collected cumulatively across the class and the class with the highest number of points, will receive a trophy to celebrate their success to have until the next assembly.

Individual BEST points will be recognised and celebrated at 50, 100, 150 etc in the awards assembly and a badge will be awarded, recognising the consistent determination to succeed in both learning and behaviour through BEST.

Parents will be invited to celebrate their child's achievement at the awards assembly. A letter should be sent out on Wednesday in preparation for the Friday assembly. This will be to parents so children receiving the BEST certificate and recognition of sustained contribution to BEST by achieving 50 etc BEST points. If parents are unable to make the assembly, children should have their photo taken with their certificate so that they can show that at home. The awards should also be placed on the school blog, reported in the newsletter and recorded on sims behaviour system.

Classes will also be rewarded every time they collect 750 best points. This will be through:

First 750 Extra playtime
Second 750 School Cinema
Third 750 Visit to the local park
