

Dear Parent/Carers

UNIVERSAL INFANT FREE SCHOOL MEALS

In September 2013 the Government announced that it would fund universal free school meals for infant pupils from **September 2014**. Therefore all children in school years Reception, Year 1 and Year 2 will now be eligible to receive a free school meal from September 2014.

If your child is eligible under this new scheme it means they will be able to enjoy delicious, healthy meals. This also means that you will not have the additional effort and expense of making packed lunches every day. This equates to a saving of around £380.00 per year.

We need to know if your child will be staying for their free school lunch. Please complete the tear off slip below indicating whether your child/children will be taking their entitlement and return to the school office as soon as possible.

School meals will give your child a real appetite for learning and help them to achieve their full potential. This information will enable us to work with our caterers and prepare for your children.

Yours sincerely
