

Transport Through Time-
Home Learning Instructions

You must complete the activities in red and choose another 4 to complete over the next term.

REMEMBER:

- Try to do one activity per week.
- Be creative in your learning
- Take pride in the presentation of your learning - make models, posters, cards, comic strips, etc.
- Add borders, pictures or flaps to make it more interesting
- Bring your homework in on a Wednesday.

Modes of transport you could research:

- Motorbike
- Car
- Lorry
- Airplane
- Helicopter
- Hot air balloon
- Rocket
- Racing car
- Bike
- Scooter
- Hovercraft
- Boat

Design or create a new type of transport.

What features will it have?

Eg: a time machine

Research your favourite type of transport and create a fact file.

You must include:

- Who invented it
- Year it was invented
- How many have been

Find out about the cost of different modes of transport. Can you order them from most expensive to least expensive?

Write an exciting story about a journey on a mode of transport.

Remember to try and include your writing targets.

Create a timeline of how transport has changed

Draw 3 different types of transport from different periods in time. Can you label the different parts?

Research a famous inventor of a mode of transport and create a fact file about them.

Write a book review of a story you have read that is about a form of transport.

Eg: Mrs Armitage's Bike

Research transport in different countries. Is it different to the UK?

Make a model of your favourite mode of transport.
