

Another wonderful week at Holbrook Primary School! This week the children have particularly enjoyed sports day. Thank you to those families who came to support the children with this, and to all staff for making it such a success.

This has been a tremendous half term for learning for all the children, thanks to the hard work of our Holbrook team and the support that you, the parents and carers, have given to the school. This has been shown so marvellously this week with my first showcase assembly by 2C, who delivered lines, sang and danced so brilliantly. What is even better is I have another two assemblies to enjoy later on today to finish this week along with Year 6's performances!

I have been speaking with staff, children and parents about the use of indoor shoes in school and whether or not this should continue next year. The significant majority of feedback suggests that you would like this to stop so, **from September, children will NOT need to bring indoor shoes to school.** Hopefully this helps with the cost of uniform, and it will also mean children do not have to spend time changing their shoes throughout the day.

You will have received your children's end of year report this week. If you would like to make an appointment to discuss this report with their teacher, please book this on the 'my child at school app'.
