

Year 4 ROCK!

This has been a tremendous half term for learning for all the children, thanks to the hard work of all staff in the school and the support that you, the parents and carers have given to the school.

I finish writing this newsletter with 4R's assembly still rocking me out! And I have 4H's and 4C's assembly still to go; what a fantastic way to end this half term!

As well as making sure that pupils in year 4 have had a broad and balanced curriculum, staff in Year 4 have been busy preparing pupils for the National Multiplication Tests. And today Year 4 pupils have managed to sing and dance as they gave us a times table shoot out with smiles on their faces! Make sure you keep practising your times table facts over the holiday.

All that remains is for me to wish you an enjoyable week away from school and I look forward to seeing you all back on Monday 3rd June, well rested and ready for learning.

A new headteacher.

I am delighted and honoured to have been appointed as the new headteacher for Holbrook Primary School, and I am very excited to get to know all our pupils, parents, carers and staff.

I have already been meeting staff and governors at the school and working with senior leaders to ensure a smooth transition so that Holbrook can continue to be a great educational environment for children to flourish and learn.

Have a lovely half term break and I will see you on Monday 3rd June.

Road Safety

Please can parents make sure that children are supervised at the beginning and the end of the day.

The school is near some very busy roads and younger children should be closely supervised. When you are helping your child to cross the road talk about what you are doing and the dangers you are looking out for so that they can learn how to safely cross the road when they are older.

Healthy Lunch Boxes

We are starting to see quite a few unhealthy snacks creep into lunch boxes. Sweet items and crisps are fine **as a treat** and shouldn't form the bulk of the packed lunch.

There is lots of advice on the internet to help you make your child's lunch nice and healthy.

No Spitting

Please could parents not spit or clear their nose on the playground.

Scooters, Bikes Courtesy

Whilst it is lovely to see so many pupils scooting and cycling to and from school can we remind you to think about others, especially on Beresford Bridge and when coming through the gates.

On the school site scooters & bikes should be pushed and not ridden!

Could we also remind parents that private e-scooters are effectively illegal to ride on public roads and paths.

If you were caught on a public highway, you'd technically be driving a motor vehicle with no insurance - you could be liable for a fixed penalty of £300 and six points on your driving licence. If the case went to court, you could get an unlimited fine and be disqualified from driving. Your scooter could also be impounded by the police.

Also, please be polite and respectful to every member of our community when coming into school. Allowing a little space through the gates, walking on the left on the paths makes the travel to and from school much easier for everyone.

YEAR GROUPS BATTLE

starts in 20 hours

Get practising!

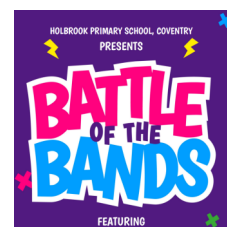

Who will win the battle of the bands over the holidays?

Year 3, 4, 5 or 6?

Who are the undisputed times table champions of Year 4?
