

## What's your number?

This week, I had to take the decision to close Holbrook Primary School as a burst pipe on Lythalls Lane meant that fresh water stopped coming into the school— nothing to drink, clean hands or flush toilets! While your children are in our care we want to do everything we can to keep them safe and well. After many conversations with Seven Trent, and them being unable to guarantee that the water pipe would be fixed, with no running water we had no choice but to close the school! A message was sent out via Bromcom and a huge thank you to the vast majority of parents who received a message via the APP or text message and quickly came to collect their children. Thankfully the situation was sorted by midnight and we could reopen on Tuesday! Although there are still ongoing road works on Lythalls Lane!

This situation has highlighted to parents and carers how important it is to have the correct contact details on record at school. The vast majority of the time we will never need to use these details—other than to send a reminder about

when school restarts after a holiday or an upcoming trip. But in an emergency they are critical. If you didn't get the message that school was closing due to a burst pipe, please let a member of staff in the front office know— either in person or a note with your child's name and your contact details. It might be since you originally gave us your details or checked the updates that you have changed telephone number, we can then check all the information on our system to make sure that if the need arises we can contact you again!

Have a great bank holiday weekend—let's hope the sun shines and we all have a lovely break and see you back at school well rested on Tuesday.

*Mrs Kelsall*

## Forthcoming Events

Monday 6th	<b>BANK HOLIDAY SCHOOL CLOSED</b>
Tuesday 7th	<b>PE—Year 2, Year 4 Year 5</b> <b>50 things workshops—Nursery</b> <b>10:45am &amp; 12pm</b>
