

We have had more fantastic trips and experiences for children across the school this week including our 'enrichment week' activities. We welcomed **the circus** to school on Monday, had **puzzles and problem solving** activities all day on Tuesday, had fun with **Bubble Inc.** on Thursday and have been joined by the **falconry centre** today! As well as all of this, we've had trips to Hatton, Ryton Pools, Think Tank, Coombe Park, Skegness Beach, The Wave, Twin Lakes, Spencer Park, Red Kangaroo and the cinema! **WHAT A WEEK!** I know you'll join me in saying a **HUGE** thank you once again to **all** of our staff in school who work so hard to make experiences like these possible for our children, and to Miss Jones for organising our Enrichment Week.

You may have noticed some workmen on the field over the last few weeks and I am delighted to let you know that we now have a pond to add to our wonderful outdoor areas! We are looking forward to sharing this with the children and using it to enhance our curriculum and outdoor learning. Special thanks to the staff involved in securing the funding for this!

Thank you for your support. Have a lovely weekend.

Ice Cream Sale

Next week, our Mental Health Ambassadors will be selling ice cream outside the Year 2/3 area from 3pm-3.15pm every day to raise money for school. The money will be going towards new 'calm corners' for each classroom, which will include the resources that the children have asked for such as twinkly lights and cushions.

Hopefully the warm weather returns!
