

It was lovely to see so many of you at BEST assembly this morning! Huge thanks for your support.

Part of our responsibility is to make sure that the school site is safe and welcoming for children and adults alike. Please help us with this:

If you are using bikes or scooters, please dismount these at the first set of gates and either push them or use the stands available around the site.

Thank you for your support, as always.

Have a lovely weekend!

All After School Clubs.

Nearly all this terms after school clubs have a waiting list. If your child decides they no longer want to take part please let the office know so we can offer the place to the next person on the list.

If you take your child out of their club or they miss too many weeks, we will need to reallocate their place to the next person on the waiting list

When we have spaces for any clubs and no waiting list, we will put the club live on the My Child At School APP so parents can sign up.

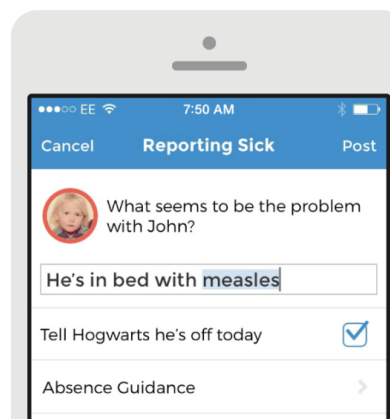

Studybugs

The easy way to report your child's absence.

You could use the absence voicemail line to report your child's absence from school or with a few quick taps or clicks you can use the free **Studybugs** APP to give the school every thing we need to record absence due to illness.

You can get the free mobile app from the Apple or Google Store.
