

We have had another great week in school, ended perfectly with our BEST assemblies. Well done to all of our winners, you can see their pictures on the next page!

I'd like to take this opportunity to remind you that most social media apps are not appropriate for children under the age of 13. You can find further information here:

[Social Media - UK Safer Internet Centre](#)

Please do everything you can to make sure that children are safe online, including by using parental controls, by talking to your children about what they are accessing, by reminding them never to share personal details, and by checking that they are not using social media.

Thank you for your support, as always.

Have a lovely weekend!

BEST Assembly.

What a way to warm the heart on a cold and frosty morning than listening to the pupils and teachers giving out this weeks awards in our BEST Assembly.

It is always lovely to see so many proud parents and carers sharing this moment with their children. If you do receive an invitation we would love to welcome you into school to share this moment with your child and the school, it is really appreciated by all.

A huge well done to all our award winners this week. Keep showing your Holbrook BEST.
