We've enjoyed another fantastic week in school together and this week we have celebrated World Mental Health Day.

Children have taken part in lots of wellbeing and mindfulness activities—many thanks to staff for organising such an enjoyable day! Children have been invited to apply for the role of 'Mental Health Ambassador' in school and they can get an application form from their class teacher.

FOODBANK HARVEST COLLECTION

Year 3 pupils are organising the collection of long life food for the Coventry Foodbank.

They have recognised how supermarket vouchers and the foodbanks have really helped those in need in our community. During this cost of living crisis, they want to play their part in making a difference to those in our local community that have an urgent need and risk to going hungry. So until half term, we will be holding a food collection for the Coventry foodbank and it would be great if families that are able to, buy an item or two from the foodbank shopping list to support those in need.
