

# Holbrook News

What a fantastic half term of learning finished off with an amazing showcase assembly and I still have another one to enjoy! It is great that we can share our work with the whole school community and welcome parents to this. I am sure that the Year 3 assembly will really help get more long-life foods in for the school's foodbank collection!

This week we also held our parents' evenings. We hope you found them useful, enabling you to see how your child has settled into their learning this term and how we can work together during their educational journey.

Thanks again for your support. Enjoy your week off. If you and your family are celebrating Diwali over break, may I wish you all a **Happy Diwali** from all at Holbrook school. I look forward to seeing you all back to school on Tuesday 5th November.

# Be a good sport!

This week, I have had the privilege of taking the Girl's and Boy's Year 3 & 4 football teams to matches at the AT7 Centre. While the results may not have gone our way at the football, I couldn't be prouder of how the children really showed their BEST on the sports field and showed school games values and how well they represented our school. While it is good to win, it is also easy. Losing with good grace yet still being enthusiastic and playing as a team is harder, however the team didn't let their heads or spirits drop.

It was a pleasure to take you all to the matches and hopefully with more training and practice next time the result might be in our favour.

Finally, a huge thank you to parents and carers for allowing the children to go to these after school matches, cheering us on and being the additional adult on the minibus so it is possible to go to the matches.
