The Coventry Brick Festival at Coventry Building Society Arena on Saturday 14th September. It is an exciting celebration of all things LEGO, but it isn't just about fun - although it is absolutely packed full of that too! Brick Festival events invite visitors to explore a range of STEM and creative subject skills through the medium of LEGO bricks. Visitors are encouraged to design a LEGO minifigure. Once they have their design, they just need to bring it along with them to the Coventry Brick Festival at Coventry Building Society Arena on Saturday 14th September. Crew members at the Activity Sign Up Desk will put up their creations in a special art gallery, take down their details and every entry will be entered into a draw to win a £50 LEGO Gift Card. Full details of this Design Challenge, and event information can be found here: www.BrickFestivalEvents.com
