

Holbrook News

It was lovely to see so many parents and carers in school today for BEST Assembly sharing the successes of your children really shows how you value their hard work in school.

Another way to support your children in their education journey is attending parents evenings. It is a really valuable way for school and parents to foster their work in partnership for the benefit of the children's learning.

The Parents Evenings on Monday 21st and Tuesday 22nd October are open for bookings on the My Child and School App. You will need to book your own time slot. Mr Connolly & staff in the office are holding a drop in session on Monday Morning from 8:20 until 9:20 for Parents and Carers who need support booking an appointment. Once you have seen how easy it is you will be able to book your own appointments next time and know how to book after school clubs for your child.

With the changeable weather this week, coats, and jumpers have been put on and taken off by children. They don't always put them on their peg or in their drawer, so make sure anything that they can take off has their name and class on the label so lost items can be returned quickly.

Hopefully the weather is dry this weekend and you all have a lovely few days off.

On time... All the time!

The inner perimeter gates are locked from 8:50 as lessons start straight after registration, the end of the school day is 3:20pm and the gates will be opened to allow parents onto the playground from 3:15pm and will be locked at 3:30pm

Just being 5 minutes late each day adds up to a lot of missed learning over a year... nearly 16hours!

So, be on time, all the time!
